

Upgrade single-user to 2.6

Timeless Time & Expense version 2.6 is a free upgrade for registered users. Upgrading to version 2.6 is as easy as downloading the full 2.6 installation and installing over your existing installation. You can find the latest full version from our downloads page at <http://www.magsoftwrx.com/downloads.htm>. Be aware, when opening a file created in a previous version of Timeless Time & Expense, you will be prompted to upgrade the file. Once the file is upgraded, you will not be able to open it in the previous version. Trial user can upgrade their trial version. However, it will not extend or reset the trial period. Registered users will not have to re-enter their registration information after they install the new version.
